

# Shared Care Record

Opening the Shared Care Record:  
Cerner Health Information Exchange (HIE)  
in **Cosmic**

1. With the patient record open, Select 'CERNER HIE' from the list.

2. You will now see the patient's Shared Care Record in the HIE

NB: You do not need to ask the patient for individual consent to view the Shared Care Record if you are directly involved in their care.
